P. W. Secretary's memo No. 8/12 dated 1903.

Re Quarters for the Inspecting Officer of the Imperial Service Troops at Bangalore.

On the Memo submitted by the Secretary P. W. for orders about funds required for the construction of the Quarters above referred to, for which an Estimate amounting to Rs 42,251 had been prepared, the Dewan ordered that the Estimate seemed too much and that an alternative Estimate and plan for Rs. 20,000 might be submitted for the consideration and orders of Govt.

The P. W. Secretary accordingly submitted alternative Estimates, one for Rs. 42,251 and the other for Rs. 21,133, stating that in the event of Govt. sanctioning either of the two ~~accounts~~ Estimates, an allotment of Rs. 20,000 would be necessary for current year's Expenditure.

The Comptroller, who was asked to report whether the above amount could be sanctioned as an additional grant, states that as this charge is, according to para 38 of G. O. No. Fl 1150-192 of 7-2-03, debitable the P. W. D., the opinion of the Chief Engineer in Mysore may be obtained in the first instance, as to whether it can...

be met by a Reappropriation of funds out of the grants made to the P.W.D. for the current official year.

The Chief Engineer was accordingly asked and in reply he states that no money from the P.W. Budget can be spared from the P.W. Budget during the current official year as every saving should be utilized for the reconstruction & restoration of breached tanks in the Kolar Dist.
